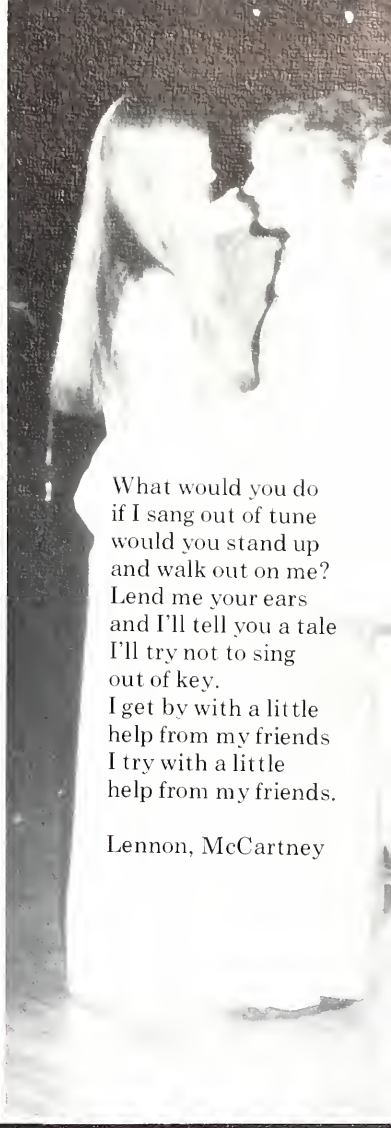
With a little help from

my friends



What would you do
if I sang out of tune
would you stand up
and walk out on me?
Lend me your ears
and I'll tell you a tale
I'll try not to sing
out of key.
I get by with a little
help from my friends
I try with a little
help from my friends.

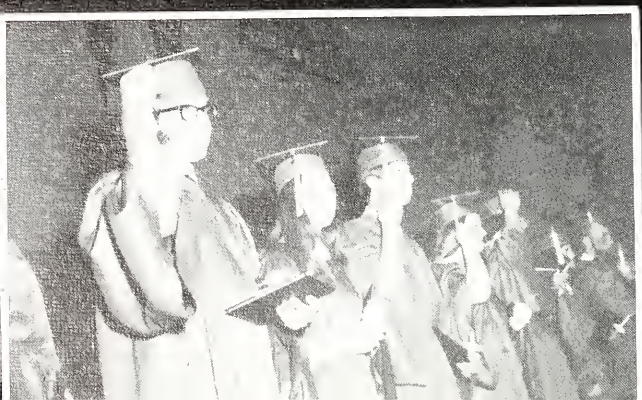
Ain't It Good to Know . . .

You just call out my name . . .

And you know wherever I am

I'll come runnin' . . .



To see you again.

Winter, Spring, Summer, or Fall

All you have to do is call

And I'll be there

You've got a friend.

. . . You've Got a Friend.

Wonderful world,

Beautiful people

All of us here, things

could be pretty.

But, underneath this

there is a secret.

That nobody can reveal.

Parlez vous, Francais?

Le Club du Francais aime les tomates. It all started in the fall of 1972 with the third year French class. One tomate on a flash card had changed the natural course of history to one of the more "extrondinaire." Little did one think it would be the pathway to infamcy for President Gui.

Thoughout the year the club had conquered many varied activities. Eight foot gas pumps accented an award winning homecoming float for the French Club . The annual banquet was held at Ches Les Blanc. The affair featured chocolate-fruit fondue for dessert and chocolate covered snails for the unsuspecting John Daggett.

Exasperation!

Hola! Spanish Club has been very active this year. To start off the year they went to Migrant Camps. The members had a chance to talk with the migrant worker's children and to play games. Then during Homecoming week the club was very busy building the first place float entitled "Clean Up The Zebras." The annual Spanish Banquet was held in January. A play, given by several members was the highlight of the evening. The club also took a field trip to Taylor University. The Spanish Club sponsor is Mrs. Quintana.

Speech Team Rated 3rd in State

President Sue

Led by Pres. Sue Figert the Speech team enjoyed a successful season. For the third year they placed first in the CIFL Conference Meet and missed taking first place at the Sectional by one point. Top ten speakers were treated with T-bones and Coach Nordmann received a red, white, and blue extemp box at the honors convo for his "democratic" leadership.

Business

The Business Department functioned this year under Mrs. Holsinger, Mr. Metzger, and Mrs. White. The only course change was Bookkeeping that was replaced by Accounting.

The FBLA Club was quite active. A professional night was held in the fall, and members attended the FBLA convention held at Ball State. Martha Spencer was elected state secretary and Jeff Freeman, Mr. FBLA. He will go on to national competition in Washington. The club's display also won first place.

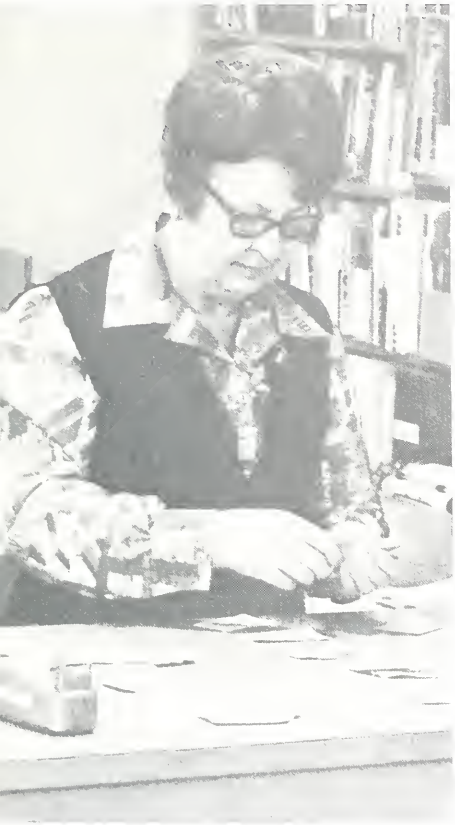
Sunshine Helps to Make the Year Bright



This is Mrs. Amiss's last year as Sunshine Sponsor. Many thanks go out to her for her fine help in making Sunshine a successful organization.

Once again Sunshine brightens up the school. Keeping up their tradition they gave poinsettas to the shut-ins, provided the teachers with apples and flowers and many other things that brought happiness to many people.

Sunshine fills emptiness.

Each morning President Jerry brought us the news.

Does the MHS student council give the students a real voice in school matters *or* is it a powerless organization composed of popular students?

Actually, the answer lies somewhere between the two extremes. The 1972-73 S.C. was a reflection of both useless Tuesday meetings and worthwhile projects such as the annual Homecoming, the Christmas dance, and the NLC student exchange. The council also made efforts to sponsor a school prom.

No doubt, the MHS student council could have been improved, but it did have it's accomplishments.

Health and Social Sciences

Social Studies provides knowledge of government functions required for living in America. Social Studies is learning about the peoples of the world, past and present.

World History and U.S. History taught underclass students that people can learn from the past.

Government showed seniors the dependence of their government. Sociology dealt with the social problems of the world.

Two new electives were included in the curriculum. Values and Issues and International Relations which gave students a chance to express their feeling about current topics and geography.

The Manchester FFA Department of Manchester High School has a very wide range of activities. Our main money-making projects are corn, hay, Christmas trees and garden seed sales.

On May 1, 1972, we had our annual Plow Day. This is how we get our plowing and discing done in one day and have 60 acres ready to plant. Any member who would like to plow or disc is permitted to bring his equipment to school that day and is allowed out of class. The Department furnishes the gas. This year we had 52 acres in corn which yielded and average of over 125 bushels to the acre. Our share of the profit was around $3,000.

For the Industrial Arts Department to display their projects at the state convention in French Lick, the students purchased a Grandfather clock and put it with several other items and asked for dollar donation. We gave the donators a chance to win the clock. This payed for the trip to French Lick convention. The I.A. display was rated one of the best displays ever shown the I.A. convention. I.A. has had two out of three of the best displays at the state level. This display and hard work brought the "Teacher of the Year" award to Mr. Swan.

Director, Mr. McKee

The High School band's standard of excellence was raised to new heights this year under the direction of Mr. McKee. Not only did the band place higher in all parades than ever before but also received a first place in the concert band state contest for the first time in thirteen years. The band also had more state finalists in the solo and ensemble contest this year than in the past. One of the high-lights this year was the community's overwhelming response to the uniform campaign drive. This enabled the band to have beautiful new uniforms this year.

The students went to pep sessions like convoes to get out of class, and sometimes they wished they were back in class. There were few pep sessions in 72-73. The less often you have them, the more they are appreciated. Everyone was ready for the sectional pep session because of this philosophy.

Dances Once a Month

Dances for MHS were held anywhere from the tennis courts to the gym. This year students danced to groups such as The Murphy Bros., Magwitch, and Brotherhood Mountain.

Twice during the year the students were entertained with record hops once to have the thrill of having a disc jockey from WMEE. The prom was one of the few formal dances. It was put on by the joint efforts of the students and faculty. The prom took alot of work because of limited supplies and limited funds. Laura Kauffman as chairman made the prom a success with her hard work and devotion.

Senior Golf — man John Hoover without his clubs.

The golf team only lost a few games this season. There were not really any outstanding performances by anyone, but the combined strength of the players brought in many victories. There were close rivals between players Baker, Clapp, Johnson, and Hoover with Pottenger and Faudree pretty safely set in their positions.

The J.V. had a fantastic record, having been beaten only once, with consistent scoring just above the varsity.

On the Run

Running Cross Country means a multitude of things. There is plenty of long distance running, hard training, and racing. Of course all of this is hard work, but it is also lots of fun. There was determination, a goal to be reached, a desire. This desire, talent and coach who knew how to use both, combined to produce a cross country team good enough to compete in the State Cross Country meet. Determination and work were rewarded. A Goal had been reached.

Wrestling action this year saw the Squires; headed by co-captains, Phil and Norm, ending the season with a 9-1 record for dual meets. They also placed 1st in the Invitational, 4th in the Bellmont Tourney, 3rd in the NCL tourney and 2nd in the sectional. Injury sidelined 2 wrestlers, Joe Jarrett and John Daggett. Six wrestlers, Eberly, Hudson, Smith, Overmyer, Haynes, and Mitmoen advanced to the regional at Northside. Hudson then went on to take top honors at state. The wrestling team sets a fine tradition of winning MHS.

Track Sets Records

There were many high points to this year's track season. This year's team was probably the best team ever at Manchester. One of these highpoints was the teams 18-1 dual meet record which is best ever by a M.H.S. track team. The highest point of the season though, was the team's top finish in the county meet. The team also placed second in the Conference and Sectional meets. Five individuals and the mile relay team qualified for the Regional meet. Neal Albert, Jon Olinger, John Mitmoen and Stan Wilmert set new records along with the mile relay team.

Baseball was the highlight during the spring and summer seasons, with stars such as Bruiser Barry Joe, Oger Overmyer and Dean the Dream. These stars with the help of the rest of the team achieved victory over county foes Wabash and Southwood and many other area competitors. All and all the team had a successful year.

GAA Bowling Team

BELOW: B-Team and Volleyball Team.

GAA

GAA represented MHS well this past year. They took an active part in Volleyball having A and B teams. Mrs. Kester has a problem of being hit by stray volleyballs. Basketball proved to be exciting and fun. Mr. Myer is known for his gracefulness in sitting on the bench. When he sits down the other end flys up. He even got up enough courage to come into the girls locker room to work out some plays. Besides the hilarious mistakes that are sometimes made, we have people who talk to the ref during the game. Pru Strain apologizes when she commits a foul. Once when she got clobbered by somebody from the opponents team, her exact words to the ref were, "What are you going to call that one?" After these great preformances Pru is thrown into the showers. She has been thrown in nearly all the showers through out the county. Sometimes it works the other way. Gina Conrad was asked out for a date by one of the refs. Basketball members have gotten battle wounds from games. Sandy Amiss went home with a black eye after a game. The gymnastic team represented us well by sending two girls to state. The track team kind of fizzled out, but we did have one meet. Three people participated in swimming. Did you know that Elkhart is now in Illinois?
